Inmate population, families, & friends,

Several months ago, we upgraded the inmate phone system and changed vendors to save cost to you. When you create an account on <https://www.icsolutions.com> you can place funds on an inmate's phone account. The cost of a phone call is now 21 cents a minute. All inmate calls will have the caller ID of 419-685-9191. You can also return a call to 419-685-9191 and leave a voicemail message for an inmate for a \$1.00 fee.

We also have upgraded our inmate kiosks and added kiosks for video visitation. We wanted to open more visiting times that is convenient for you. You will be able to schedule on-line or in the night lobby on the registration computer. The visit can take place from a home computer with a video camera or by a mobile device with a camera. A 30 minute visit can be scheduled during the hours of 8:00 a.m. to 9:00 p.m. seven days a week. A \$10.00 fee will apply for off site visits.

For no fee, you will be able to schedule a visit on-line or in the Night Lobby, and then come to the Sheriff's Office using one of the two video visitation kiosks for your visit.

With these updates there will also be changes made to the current in-person visitation schedule.

Effective Thursday, Feb 28, 2019, there will no longer be in-person Friday visitation.

Effective Friday, March 15, 2019, there will no longer be in-person Monday visitation.

Effective Friday, March 29, 2019, there will no longer be in-person Thursday visitation.

Effective Friday, April 12, 2019, there will no longer be Sunday in-person visitation. All visits will be done by video visitation.

In addition, you can send an email with a photo to an inmate and get a return email that is cheaper and faster than the post office by creating an account on <https://www.accesscorrections.com>,

Also on this site you may place funds on an inmates commissary/phone account. The night lobby kiosk is also always available to deposit funds. Both options charge a deposit fee.

There is also an option to create an account on <https://www.accesscatalog.com/shop/index.html?ProgramID=883> by using this site, you can purchase products and have them sent directly to the inmate.

Within time during our web-page upgrade, all this information will be found on our website [www.ashlandcountysheriff.org/corrections.org](http://www.ashlandcountysheriff.org/corrections.org)

Thank you,

Captain David Blake
